

Affiliate Membership in the Edmonton Horticultural Society – Connecting to the Gardening Community

EHS invites like-minded organizations to apply for affiliate membership with the EHS. Affiliate members agree to provide reciprocal privileges in your organization for EHS. As Affiliate Members, our organizations both benefit through opportunities to link directly with avid gardeners and build our community of plant and nature-lovers in the Edmonton area. Our EHS members include gardeners whose skills range from novice to highly-experienced. They soak up gardening year-round, push the season, look for new cultivars, attend gardening events and courses, and need gardening-related products and services.

EHS Affiliate Members link directly with our members through:

- ❖ A free listing in each of our newsletters and on our Web site (including a link to your website)
- ❖ One free business-card-sized ad each year in our full-colour newsletter, *Gardener's Gate*
- ❖ Opportunities to display your promotional material at our regular meetings

You also receive two membership cards for use by any of your staff for free admission to EHS meetings and events.

If you have a newsletter, please send EHS a copy in print or by email to officeadmin@edmontonhort.com. If your newsletter is online, we can post a link to it in the members-only section of our website.
